

To our clients and friends:

We at Fernandez Haynes & Moloney are very concerned with the current COVID-19 pandemic and its effect on all our lives, our clients and their families, our employees and their families, and our colleagues and their families.

We are taking following all precautions set out by the CDC and local authorities. Additionally, we have taken steps to limit our clients, employees and ourselves from any exposure to the coronavirus as follows:

We are participating in telephone, Skype, Zoom and other electronic forms of communications, instead of in-person meetings.

We are currently meeting with clients in the office by appointment only.

We are using texts, emails and phone calls as our primary contact methods with our clients.

If absolutely necessary to meet in-person, we are following safety protocols, including practicing “social distancing” during those meetings. Hand sanitizer is available to everyone throughout our offices. Furniture, conference room tables, doorknobs, etc. are being sprayed and wiped down during the day as often as possible.

Please contact us via telephone or email and we will respond as soon as we can.

Sincerely,

Maria A. Fernandez
